WORK EXPERIENCE

COMPANY/INSTITUTION	POSITION	DURATION	AREA
Cyanamid Agro Ltd.	Technical officer	Sept.1997 to Jan.2000	Whole of Gujarat, part of southern Rajasthan, Part of western Madhya Pradesh
Cyanamid Agro Ltd. (BASF India Ltd.)	Development Executive	Feb.2000 to Jan.2001	Western Maharashtra
Agricultural produce Market Committee, Vadodara	Secretary	Feb.2001 to till date	Vadodara city & Taluka

NATURE OF DUTIES AS TECHNICAL OFFICER AND DEVELOPMENT EXECUTIVE

- Techno developmental work with farmers, traders.
- Testing of company products especially new molecules, on farmer field.
- Handling query of farmers / dealers regarding product's performance on field.
- Products' education and promotion through different kind/size farmer meetings on demo plots / meeting halls.

NATURE OF DUTIES AS SECRETARY

- Supervision and administration of APMC staff (65 employees).
- Implementation of policies of elected board and APMC act, rules and bylaws.

ACHIEVEMENTS

- Ranked all India first at Market Secretaries Training Course, Hyderabad (104th Batch) in the year 2001.
- I have also regulated the marketing activities effectively and conducted meetings of traders, farmers and board members.
- During my tenure at APMC, Vadodara, Annual income increased from Rs. 1 crore to Rs.11 crore.

When I joined, the institution was under debt of Rs.14 crore as loan from Central Bank of India. Myself and Chairman Shri negotiated with bank authorities and settled the due amount for Rs.10 crore (against total due of Rs.18 crore) as one time settlement amount and paid up the loan and made the institution debt free. Now the institution has Rs.14 crore surplus as deposit with banks.

- During my tenure, APMC, Vadodara has got ISO 9001:2008 certificate for quality management system.
- During my tenure infrastructure created like cold storage (3750 ton), ripening centre (100 ton), soil Testing Laboratory, Biogas Plant (85 cubic meter) which is WASTE TO ENERGY project where electricity generated and organic fertilizer of our own brand "Market Organic" is manufactured.
- Roof top solar project earns Rs.36 lac annually.
- Level sensor based submersible pump systems to lift water from sump to over head tank.

- Emergent system for water heating for bathrooms in dormitory & VIP guest rooms which saves 60% electricity.
- Rain water harvest systems, arrangement of roof water stored directly into sump.
- Designing, executing and managing landscape gardening of yards.
- Dispenser based automatic R.O. & chilled drinking water facility.
- Two yards equipped with 100 + CCTV cameras with round the clock supervision.
- Organising MRM (Monthly Review Meeting) of officer level of employees.
- Introduced cadre wise employees uniform with belt, socks, shoes and put shoe shine machines in all yard offices.
- Introduced biometric attendance for employees.
- Air conditioned, acoustic training hall with latest audio-visual equipments where 70 + CDs on package of practices of different crops, dairying, processing by ICAR (Hindi) and local media publication (Gujarati) are kept for farmers.
- Initiated work to develop app based time bound complaint redressal system for yard users and market rates dissemination system in March 2015.
- “Agriculture Today” The National Agriculture Magazine highlighted “APMC, VADODARA – A CENTRE OF EXCELLENCE” in their February-2015 issue.

Guest Lecturer at: NIAM (National Institute of Agricultural Marketing), Jaipur.
 : DAMM (Diploma in Agricultural Marketing Management),
 Nadiad.

ORGANIC FARMING ACTIVITIES
